Class Description:

Can you take a decade of highs and lows, twists and turns, and have everything “come round right”? This whimsical quilt, inspired by the lyrics of the hymn “Tis a Gift to be Simple”, celebrates our ability to turn and bend and choose happiness no matter what. It’s a little like life. In this class you will take the traditional Dresden fan quilt block and improvise with it to create large scale flowers on a quilt top. These can be applied by hand or by machine. It’s a little taste of arranging and designing your own composition so the finished product looks just right to your creative eye. Then the entire quilt is finished off with a vibrant border full of stems and leaves which are also a subtle nod to the number 10. We will have so much fun making Come Round Right!

Students will be expected to come to class with the main section of their background fabrics sewn so we can jump right into making the flowers. You can expect to create at least one of your flowers in class, and receive instruction for completing the entire quilt top.

Come Right Round Quilt Class Cont...

Quilt measures approximately 56" x 62"

Fabric Requirements:

Background:

Main background print: 32.5" x 38.5" (1 yard, or 1 1/8 yard, depending on direction of print)

First border: 1/2 yard (EXACT measurement assuming 40" width of fabric, if you would like extra to be safe, then 2/3 yard)

Second border: 1/2 yard

Pieced outer border:

Main fabric: 1.5 yards if using one fabric, OR 8 fat quarters

Background fabric: 2/3 yard

Dresden flowers:

Large full flower:

Petals: 1/4 yard each of two coordinating fabrics, OR 2 coordinating fat quarters

Flower center: 10" square PLUS any small circles or other details desired (cover quilt features 2.5" circle in center and (7) 1.25" circles surrounding, plus dark fabric scraps for small bias stamen)

Medium half flower petals:

8" x 15" piece of one colored fabric for petals

8" x 15" piece of one fabric to blend with background

Coneflower center: 5" square

Small flower petals:

7" x 13" piece of two coordinating fabrics

Receptacles: 5" square, 2.5" square

Stems:

1.5" x 15" strip green print

1" x 7" strip green print

Green scraps 2" x 4" for piecing larger stems (can also be cut from other green fabrics already in use. The more variety the better, so look through your scraps for all the greens!)

Leaves:

7" x 10" pieces of 10 different green prints (OR scraps are great for this - each needs to be large enough to cut a 7" long Dresden blade from, for a total of 20)

Backing: 4 yards

Binding: 1/2 yard
