Class:	<i>Applique the Apliquick Way Class</i>	
Date/Time:	Saturday, March 22, 2025	8:00 am to 11:00 am
Instructor:	Debbie Woodworth clawslink@comcast.net	
Class Tuition:	\$40	
Class Kit:	Fabric Kit: \$25 (includes all fabric for front and binding) Tool Kit: \$48 (includes rods and glue needed to applique this method.)	
Skill Level:	All Skill Levels	

Class Description:

Come and learn the fast and easy Apliquick Method of Applique. You will learn how to prepare pieces for hand or machine applique. The Apliquick method used two stainless steel rods, special glue and fusible fleece to turn your seam allowance edge under, giving you a beautiful and smooth edge that is ready for your choice of applique.

In class you will have all or most pieces attached to the background and ready to applique.

Fabric Requirements:

- Red Fat Quarter
- Background Fat Quarter (low volume)
- 1/2 yd Apliquick fusible fleece
- 1/4 yd Black for seeds and binding
- 5" x 11" piece of green fabric for leaves
- Fat Eighth green for watermelon rind
- 4 1/2" x 7" Brown for sunflower centers
- 2 1/2" x 40" Yellow for Sunflowers
- 2 yards green Ric-Rack
-

Supplies Needed:

- Scissors
- Small Iron and pressing mat
- Pins
- 13 X 18 SPF 101 Fusible Interfacing
- Roxanne Basting Glue (Available for purchase in class for 20% off)
