Class Description:

I love needle punch so much and have been doing it for over 20 years and love that it's back in style. Come learn how simple and mindless needle punch is. We will be working on a simple project that you can finish off however you would like. From framing, making a pillow, making a bowl filler, adding it to a box, really the list goes on and on. No need to bring your sewing machine, this is a handwork only class!

Fabric Requirements:

- All items will be in the kit.

Supplies Needed:

**** Required kit includes: Hoop, needle punch tool, floss, and patterns to create 2 needle punch projects. This kit includes specialty needle punch hoop. Standard embroidery hoops will not work.**

- Scissors
